To minimize environmental impacts, the HVAC industry is transitioning to **Lower Global Warming Potential (GWP)** refrigerants. Trane's newest lineup of equipment designs—tagged with our two-tone green icon for easy identification—harnesses this next-generation technology to maximize your year-round comfort while innovating for a sustainable future. Talk to your local Trane dealer to learn more about your best options.

TRANE LINK CONNECTIVITY.

Our most efficient model, Trane® Hyperion TAMX, includes innovative Trane Link technology to control all of the system components.

TRANE HYPERION™ A REVOLUTION IN AIR MOVEMENT FOR EVERY HOME.

The top-of-the line Trane Hyperion air handler represents a significant advance in technology and whole-home comfort using 14 industry-exclusive patents. These exclusive components include ultra-quiet, efficient Vortica™ Blowers and all-aluminum epoxy-coated coils, which offer longer life and superior odor prevention compared to conventional copper and aluminum coils. Fully enclosed insulation and double-wall cabinets ensure quiet, energy-efficient performance, while minimizing airborne dust and condensation that can cause mold and mildew.

CONVERTIBLE AND COMPATIBLE.

Trane's convertible air handlers combine affordability and flexibility to work with our complete range of heating and cooling products. All-aluminum coils, corrosion-resistant cabinet finishes and polymer drain pans deliver long-term durability. With multiple sizes and configurations available, you can be confident there's a model that will fit your home and comfort needs.

Select models include innovative Trane Link technology, which uses Bluetooth to communicate between system components.

A CLOSER LOOK

Heating Options

Allow you to add either hydronic or electric heating without changing the cabinet.

✔ Electronic Refrigerant Flow Valve

Regulates the flow of refrigerant and provides compressor protection for maximum reliability and greater overall system life.

✔ All-Aluminum Coil

Substantially more durable than conventional copper coils, for prolonged efficiency, longer system life and less chance of refrigerant leaking into the atmosphere.

✔ Epoxy Coated Coil

Helps prevent odor and undesirable residue on the coil and is the first of its kind in the industry.

Dedicated Control Board Pocket

Provides easy access.

✔ Fully Enclosed Insulation

Prevents loose fiberglass insulation from entering the air that your family breathes.

✔ Vortica™ Blower

Uses less energy than conventional blowers to deliver more air, while reducing carbon emissions and noise.

✔ Efficient Cabinet Design

Tough, double-wall construction and enclosed foam insulation virtually eliminates sweating and condensation. Less moisture and fewer dust particles are drawn in from garages, attics or crawl spaces, helping improve indoor air quality.

✔ Modular Design

Enhances flexibility, allowing installation in tight spaces, without the need for expensive structural modifications to your home.

Rugged, Corrosion-Resistant Finish

Protects the Hyperion from scuffs and damage, ensuring a uniform appearance for years.

Positive Pressure Cabinet

Keeps unwanted air out of the unit.

Integrated Drain Pan

Made from rust-resistant polycarbonate, this unique drain pan is gently sloped in two directions to eliminate standing water and minimize the opportunity for microbial growth.

Variable-Speed Motor with Comfort-R™ Technology

Reduces noise by starting gradually and ramping the airflow up while eliminating hot and cold spots. Comfort-R™ also allows the careful regulation of humidity.

✔ Industry Exclusive

Features and components applicable to Hyperion TAMX Series only, may vary by model and are shown for illustration purposes only.

¹ Automatic refrigerant charging allows technicians to focus on other work while the system charges itself

* Registered Limited Warranty terms are available when you register within 60 days of installation. You can register online at Trane.com or by phone at 855-260-2975, otherwise Trane's Base Limited Warranty terms will apply. Base Limited Warranty information on specific products can be found on Trane.com. Ask your dealer for full warranty information at time of purchase. Warranties are for residential and multi-family use only, some exclusions may apply.

INSTALLATION AND CLEANING MADE EASIER.

The Trane Hyperion air handler can be disassembled by your service technician within a few minutes with only one tool, ensuring a quick installation so you can enjoy the benefits of Trane comfort as soon as possible. Plus, the cabinet can be cleaned quickly and efficiently because the blower and coil assemblies slide out for easy access.

Independent Trane dealers take great pride in creating your perfect indoor environment. They are some of the most highly trained professionals in the business—with an extensive understanding of the movement and conditioning of air and the expertise to recommend, install and maintain the right system for your home.

TRANE DEALERS ARE AS HARD TO STOP AS A TRANE ITSELF.

WE ARE COMMITTED TO USING ENVIRONMENTALLY FRIENDLY PRINTING PRACTICES.

COMFORT. CONTROL. EFFICIENCY.

Optimize the comfort and efficiency of your home with the Trane Home smart comfort system.

The Trane Home mobile app gives you remote access to your HVAC system through your connected Trane smart thermostat. Adjust your temperature, set your schedule, and view your HVAC usage from anywhere.

WHY IS INDOOR AIR QUALITY IMPORTANT?

We spend 90% of our time indoors, and 70% of that is in our home¹ where the air can be up to 5X poorer quality than the air outside². To help improve your indoor air, Trane offers a complete portfolio of air filtration equipment for whole home solutions for new and existing units.

TRANE CLEANEFFECTS® AIR CLEANER

Utilizes patented technology to deliver cleaner air to the whole home by removing up to 99.98% of airborne particles³ that pass through the re-usable filter, including 99.9% of the Influenza A (H1N1) virus⁴. This level of filtration makes it up to 100X more effective than a standard 1" filter⁵. Plus, it's the ONLY whole-home electronic air cleaner that is certified **asthma & allergy friendly**⁶ by the Asthma & Allergy Foundation of America.

Trane CleanEffects® is verified zero ozone producing so you can breathe easier knowing your air is free from harmful byproducts.⁶

ENERGY RECOVERY VENTILATORS (ERV)

Provide an energy-efficient way to exchange air inside your home with fresh air from outside, removing lingering odors like cooking smells while improving overall air quality.

HUMIDIFIERS AND DEHUMIDIFIERS

Deliver the right amount of moisture to the air throughout your home, adjusting from summer to winter.
